

September 2020

Summer is Ending

POOL/SPA/CLUBHOUSE REMAIN CLOSED UNTIL FURTHER NOTICE; PER SAN MATEO COUNTY STATE OF CALIFORNIA: COVID 19 SHUTDOWN

- The posted speed limit in the park is **15 mph**. With more children and residents out and about, it is even more important to drive slowly and safely while in the park.
- Please take care when walking dogs, do not let the leash extend the animal out, into the path, of passing vehicles. Do not let dogs go to the bathroom on your neighbor's yards. Many residents work hard to keep their yard looking good, and plant expensive plants, & flowers.
- Also, please do not tail gate drivers through the park, who are attempting to maintain the **15 mph speed limit**.

15. PARKING:

A. Residents may only park as many passenger vehicles as will fit on their driveway. Parking is permitted only in driveways or designated parking areas. Vehicles may not be parked on the landscaped area of the space, or any other vacant spaces within the Community. The front area of the home shall not be bricked or paved over for the purpose of parking a vehicle. Vehicles parked on the driveway must not extend beyond the property line into the street. Guests may only park on the host resident's space, in designated Visitor Parking spaces, or outside of the Community. Guests parking overnight in Visitor parking areas must obtain a permit from the Management Office or the courtesy gate kiosk. Residents may not park overnight (1a.m. to 5a.m) in designated Visitor Parking spaces at any time. Because of limited parking facilities, traffic congestion, noise and the need to insure a safe and pleasant environment for all Residents, management reserves the right to restrict the number of guests bringing automobiles or other vehicles into the Community. Sleeping in parked vehicles is prohibited.

THE
FRANCISCAN PARK

B. Commercial vehicles, trucks over one-ton, motor homes, buses, travel trailers, boats, boat trailers, and any vehicles that are not self-propelled may not be parked on Resident's space. All such prohibited vehicles must be parked outside of the Community.

C. These parking limitations do not apply to service vehicles of contractors or other persons performing services for Resident during the time the service is being performed. Vehicles which are otherwise prohibited may be temporarily parked on Resident's space or on the street for purposes of loading/unloading, but not overnight.

D. No vehicle may be "stored" on the space. "Storage" shall include, but not be limited to, the parking of an inoperative vehicle for a period exceeding two (2) weeks, the parking of an operative vehicle that is not in use for a period exceeding four (4) weeks, or the parking of more than one vehicle for the purpose of selling the vehicle(s). Residents may, however, leave their vehicle(s) in their parking space while on vacation.

E. Street parking between the hours of one (1)a.m. and five(5)a.m. is prohibited. Vehicles parked in violation are subject to being towed at the vehicle owner's expense.

The current PG&E and Daly City Water rates are posted in the Park office and in the glass information case located by the clubhouse. These are updated as the newest information is received.

The CARE/FERA utility discount info and Medical Baseline application and info are available at the Park. After you complete the form, the Park office staff will complete the account number sections on the form and submit it to CARE/FERA on your behalf.

Safety & Policy

- **Guests:** A reminder to Park residents to obtain guest passes at the Park office for up to guests (5) per household. If you have additional need due to special considerations, please contact the office. Thanks for your understanding and cooperation..
- **Quiet Time is 10PM 700am** - Management asks all residents and their guests to respect other residents' rights to the quiet enjoyment of their homes by observing the Park's Quiet Time Hours. The sound of late night car stereos and beeping car alarms, or loud talking really carries and is disturbing to others. Thanks for your help!

Home Repairs and Programs:

• **HOME IMPROVEMENTS & CONSTRUCTION PROJECTS:**

Homeowners in the Park are required to submit plot plan and construction designs to Park management for review and approval before any construction or home improvements to the exterior of the home may be started. This includes underground digging, fences, decks, roofing, siding, sheds, painting, concrete work, masonry, screen-room enclosures, and all other such types of work.

At no time may anyone build room additions or create inhabitable living areas or perform any type of construction without first obtaining Park approval, and the necessary City/State building permits.

If you build something and it was not approved and does not meet Park guidelines and City/State code requirements, it will become necessary for the project to be stopped, or “required to be removed at homeowner’s expense”. Please direct all questions to the Park office and Daly City building inspection office Thank you so much for your help in complying with these important requirements.

Receiving a Plot Plan Approval still requires Daly City Building Dept Permits, if they are required.
