

JUNE 2021

WE ARE STILL PENDING A CHANGE WITH SAN MATEO COUNTY HEALTH POLICY & PLANNING ORDER # C19-5D-APPENDIX C-2, AND C19-1E MARCH 10, 2021

With the warmer weather and schools on summer break, safety becomes one of our primary concerns.

- The posted speed limit in the park is 15 mph. With more children out and about, it is even more important to drive slowly and safely while in the park.
- Please take care when walking dogs, do not let the leash extend the animal out, into the path, of passing vehicles. Some vehicles do not give much warning as they approach.
- Also, please do not tail gate drivers through the park, who are attempting to maintain the 15 mph speed limit.

The US Post Office has requested that we remind residents not to park or block access to resident mail boxes. Postal employees are not allowed to exit the vehicle to deliver mail. If your mail box is blocked by a vehicle or other object, the Postal employee may not deliver your mail.

The current PG&E and Daly City Water rates are posted in the Park office and in the glass information case located by the clubhouse. These are updated as the newest information is received.

The CARE/FERA utility discount info and **Medical Baseline application** and info are available at the Park. After you complete the form, the Park office staff will complete the account number sections on the form and submit it to CARE/FERA on your behalf.

Franciscan Park's website features Park news, Rules and Regs, list of homes for sale, Intent to Sell forms, newsletter copies, Annual Income Certification forms, Clubhouse rental applications,

and other valuable information for Park residents – check it out!

Safety & Policy

- **Guests:** A reminder to Park residents to obtain guest passes at the Park office for up to guests (5) per household. If you have additional need due to special considerations, please contact the office. Thanks for your understanding and cooperation..
- **Street Parking is "Not Allowed"** during the hours of **1AM and 5AM** - all vehicles remaining on the street during these hours are subject to towing. Management also asks that you extend the courtesy of not parking in front of your neighbor's homes at **any time**. Blocking the space in front of your resident's homes may prevent someone with special mobility needs or guests of their own from accessing their space. Please ask your guests to Park in front of your home, or in your driveway if room allows, or utilize guest parking.

Please do not leave your house hold trash at the pet poop disposal station, or in the laundry mats. If you need a larger disposal container, please call the office to make arrangements. When we identify the "garbage dumpers", they will be billed for the trash removal.

Quiet Time is 10PM - Management asks all residents and their guests to respect other residents' rights to the quiet enjoyment of their homes by observing the Park's Quiet Time Hours. The sound of late night car stereos and beeping car alarms, or loud talking really carries and is disturbing to others. Thanks for your help!

HOME IMPROVEMENTS & CONSTRUCTION PROJECTS:

Homeowners in the Park are required to submit plot plan and construction designs to Park management for review and approval before any construction or home improvements to the exterior of the home may be started. This includes underground digging, fences, decks, roofing, siding, sheds, painting, concrete work, masonry, screen-room enclosures, and all other such types of work. **At no time may anyone build room additions or create inhabitable living areas or perform any type of construction without first obtaining Park approval, and the necessary City/State building permits.** If you build something and it was not approved and does not meet Park guidelines and City/State code requirements, it will become necessary for the project to be stopped, or "required to be removed at homeowner's expense". **Please direct all questions to the Park office and Daly City building inspection office Thank you so much for your help These these important requirements.**

GAS AWARENESS

The Franciscan Park is supplying you with gas through an underground system of gas mains and service piping.

As gas operators, the Park is constantly striving to provide you with product in the safest, most efficient manner possible. The following are a few ways you can help us provide a safe and reliable product.

- **If you suspect a gas leak (gas smells like “sulfur” or “rotten eggs”), call the emergency numbers listed below. Leave the area immediately and call from a secure location outside the home.**
- **DO NOT:**
 - ❖ Turn on or off any electrical switch or appliance (lights, garbage disposal, etc.).
 - ❖ Start any machinery (washer, dryer, dishwasher, or other appliances, etc).
 - ❖ Operate cell phones or door bells in the affected area.
- All excavation/digging must be reported to the gas operator (The Franciscan Park) at least 48 hours prior to the start of the work. Work may not start until Park management has given the approval to start. Failure to do so may place the public in considerable danger and will subject the excavator/digger to significant liability for damage, as well as for lost product.

*****BEFORE YOU DIG CALL:** Management Office (650)755-3483***
Management must approve any digging prior to the start of any home improvement project!
